

People change. Knowledge stays.

Employee turnover should not reset your projects.

SHARED PROJECT MEMORY

NEW STARTER

DEPARTING EMPLOYEE

One shared workspace. From first day to final handover.

ONBOARD

Where do I start?

Find project history,
files and current tasks.

WORK

Why this decision?

Connect meetings,
actions and decisions.

EXIT + HANDOVER

What happens next?

Keep open work and
project context visible.

Faster onboarding. Clearer handovers. Less lost context.
